

# Muscle Testing Class

PRESENTED BY  
**DR. TERRI COOPER**

**You will learn how to self test, surrogate test and test your friends and family!**

**After this session you will be able to:**

- Tell if you have an allergy or sensitivity to a certain food or substance
  - Help determine if you have a virus or bacterial infection
  - Check if there are emotional components linked to your problem
  - Help you determine why your baby is crying
- And much more!

**Come join us for a hands-on seminar. You will walk away feeling empowered!**

Dr. Terri Cooper has been a Doctor of Chiropractic and a licensed acupuncturist for more than 14 years. One of Dr. Cooper's specialties is Emotional Release Technique (E.R.T.), which addresses the emotional component of health in a safe, effective, physiological way with spinal and meridian adjustments. E.R.T. includes NeuroEmotional Technique, Next Mind, Next Body, Tapas Acupressure Technique and more.
